Vision**

The Vision for Australia Together

**By 2050, we and our children and
grandchildren will be living a fulfilling life in
an Australia where**

We are all safe

**We have achieved a lasting reconciliation between First Nations peoples and non-Indigenous
Australians, based on our shared values of justice and self-determination**

Everyone is welcome to participate positively in community life

We are inspired and able to renew our physical and spiritual wellbeing

We act together as a compassionate society

Equality is valued as enriching human community, cultural harmony and social progress

Diversity is positively appreciated as the basis for a successful Australian society

**Everyone can realise their full potential in life, as individuals, members of a family and citizens through
unlimited opportunities in education and employment of choice**

Vital services are fully accessible for all

Scarce resources are conserved and fairly shared

National wealth is fairly raised and fairly shared

**Our economy is sustainable and supports rewarding opportunities and continuous improvements in
living standards, wellbeing and security for everyone**

**As a nation we have the courage to take a leading place in achieving the environmental aims of a global
society**

Stewardship of ecology is affirmed as fundamental to planetary and human survival

Democracy is assured by a well informed and engaged community of political equals

**We can confidently trust our parliaments, governments, and courts to act fairly and justly in accordance
with the rights and interests of the public and future generations**

**We take pride in Australia as a responsible international citizen, active in building
a safe, peaceful and united world**

**These are the aspirations of our hopeful generation. We commit to this
Vision for Australia Together so that we can pass the gifts we have
inherited to our children, and they to theirs.**
